Accordion Albums

Add on option

A perfect option for grandparent gifts or brag books for parents tucking your life-size memories into a pocket-size keepsake. Includes 10 images of your choice.

Just slip one of these beauties into your purse, or briefcase and simply show them off to your friends and family at a moments notice.

Set of (3) 3x3 albums \$150

Set of (1) 4x8 albums \$125

Digital Images

All digital images will be prepared based on which option you ordered, low res or high res. Digital images will be delivered via download link. Social media images of the images purchase will be included depending on which images your ordered.

Please keep in mind digital images are not archival, printing is the best way to preserve your images. However I do highly recommend saving your digital images to your computer as well as one other medium.

Milestone Products

Album

This album is a perfect way to share your babies first year from each session for years to come. Each album comes with a leather cover and foil lettering of the milestone photographed. At the end of the milestone session you will be gifted a beautiful custom album box. This will fit each album you received from each session.

Matted Prints

An elegant way to display your babies images. Set of 8 matted 8x10 images from each session. At the end of the milestone session you will be gifted a beautiful custom print box and easel to display your babies images.

Wall Art

A perfect way to display your babies most precious images. Select one image from each session in either a canvas image or framed print. At your first ordering session you will choose your word art to go along with the wall collage. You will receive this gift with your first order.

This session is broken down into monthly payments. Includes a maternity session, birth session, newborn session, and milestones. Products include an 11x14 image or images equal to the value of an 11x14, a beautiful heirloom album with selected photos from each sessions, a video slide show put to music, digital files of birth on a professional flash drive, a customized facebook timeline cover and 25 birth announcements.

Booking Process

Please contact me to book your session via email or by phone 2-4 weeks prior to your session for portrait sessions. All other sessions need to follow time frame suggestions. To minimize my carbon print I send or collect all session forms via e-mail or online forms.

Payment Options

For portrait, birth, newborn and milestone session retainer is due at time of booking to reserve your session date. At time of proofing session collection and product fees are due to receive a 10% discount. If payment arrangements are agreed upon product orders will not be placed until final payment is made.

Payments can be made via paypal, or credit card.
